Monitor 1

## Audience - stage front

We are looking forward to cooperate with you!

If you have any questions regarding our techrider, please contact:

**Esben Duus - +45 40 91 15 63 / [mail@esbenduus.dk](mailto:mail@esbenduus.dk)**

### **WonderBrazz is a partyband!**

Even though we play music that most people label as jazz, please make sure that the PA system is capable of delivering a nice, warm and powerfull low end.

- The monitor by the drumset must have at least a 15" inch speaker.
- We'll fit almost anywhere, but if possible we need a stage that measures 6 x 6 meters.
- Depending on the size of the stage and the venue we need 4 - 6 monitorsends.
- At small to medium size indoor venues 4 sends is sufficient.
- At large indoor venues and outdoor venues we need 6 sends.
- If any of the above is not possible, please contact us **ahead** of our show.

# Channel overview - WonderBrazz

Channel	Instrument	Mic	Remarks
1	BD	Shure beta 52	Please no gates
2	SN		Please no gates
3	Tom 1		Please no gates
4	Tom 2		Please no gates
5	OH L
